

OHIO BUCKEYE CHAPTER 13
HILTON CLEVELAND DOWNTOWN

Rock out with us in a fast paced seminar where a diverse team of relocation experts provide an overview of the relocation process for individuals working on projects with displaced residents and businesses. Acquisition agents, surveyors, appraisers, engineers and attorneys are encouraged to participate and gain a better understanding of the relocation process and challenges. In addition, individuals who want a better understanding of the Federal Uniform Act or are considering relocation certification will be benefited by this event.
